**LETTER**

Commissioner of Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

This paper is submitted as a follow up to a telephone interview with the Examiner in the above-noted patent application. It has been noted that certain discrepancies have existed between the original informal drawings submitted and a set of formal drawings previously submitted.

Accordingly, a set of formal drawings which conform to the original informal drawings is being submitted with this paper without markups. In addition, inasmuch as an earlier formal set of drawings was submitted and is of record, an additional set identical to the original informal drawings is also being submitted with each of the sheets labeled "Replacement Sheet". This is being done because the applicants are not certain as to

which way the drawings should be submitted. Accordingly, the Examiner is requested to enter the set of drawings which appropriately fits the present situation.

Respectfully submitted,

NIKOLAI & MERSEREAU, P.A.
